## **Essay Questions**

**Short Essay Question #1:** Why do you want to participate in this program? What will you contribute to the group and to the experience if you are chosen?

**Short Essay Question #2:** As part of this program, students are required to design and implement Community Action Plans after they return home. One of the primary responsibilities of Adult Mentors is to oversee and facilitate these projects. Please discuss your commitment to continuing work and your ideas for how you would support the students with their projects in the months following the program.

**Long Essay Question #1:** Describe your relationship with young people in your community and any experience you have had working with high school aged students.

**Long Essay Question #2:** Explain how you see international travel contributing to the development of a student's leadership skills and personal growth.

**Long Essay Question #3:** Please write a letter introducing yourself to your potential host family.

**I certify that this application is accurate and true:**
